DataPipe has received an abuse complaint related to the possible distribution of unsolicited e-mail (spam) or a possible security violation from you or one of your customers. We are forwarding the complaint to you so that you may take appropriate measures to address the issue.

The purpose of this message is to inform you of a complaint we have received as if you had received the complaint directly. We have not verified the accuracy of the complaint nor is this an accusation that the said incident has occurred. However, we must respond to this, so we must ask that you respond promptly to this email with the results of your investigation of the issue and your plan of action to resolve the issue. We will be happy to work with you on your option to solve the issues that have been created by this spam report. Please respond within 24 hours.

Please refer to [http://www.datapipe.com/Acceptable Use Policy.asp](http://www.datapipe.com/Acceptable%20Use%20Policy.asp) for general questions regarding DataPipe's stance on spam or abuse. Please direct any questions regarding this specific issue to abuse@datapipe.com.
