Mr. Levin:

Direct Revenue's Web site says they're funded by Insight Partners. As a mere consumer, I'm sufficiently angry at DR's mucking up my computer that I'm writing to you.

If you actually have insight then you'll realize that DR's Aurora borders on the depraved---- and that your having (apparently or allegedly) funded it could become highly damaging to the credibility of both your firm and all of its membership.

I would urge you to defund DR ---at least for the sake of Insight Partners, if not for that of the public interest.
Thanks
