Subject: DR/Contact us form: Public Relations

I am interested in: Public Relations

First Name: fuck

Last Name: you

Email: fuckyou@fuckyou.com

Company: fuck you

Comments/Questions: Your software is crap. The removal process is crap. It's crap that you expect me to turn off my firewall to remove your crap software.

You're crap for working at this crap company.

You're psychotic if you think anyone is going to buy anything advertised through your crap parasite program.
