Attn: The President of Direct Revenue  
~~2005~~ or Joshua Abram, CEO.

June 22, 2005

I am furious with Aurora/ABI/Direct Revenue. I HATE IT. I CANT GET RID OF IT AND I'M READY TO CANCEL MY 10 YR. OLD AOL ACCT. BECAUSE OF IT. I did not sign up for this garbage and I get so many of your popups I can't even write an email without at least 5-10 interuptions from YOU. I am filing a complaint with the State of NY attorney generals office immediately. It is false advertising and there is no easy way provided to get rid of it. you've made it so complicated to uninstall and I hope your company gets shut down for it and AOL should be fined for allowing it and partnering with you, I already filed several complaints with aol.

I would like a reply from the President and CEO of Direct Revenue and no one else.

Thank you  
Deborah Ugel
