The screenshot displays the Ad-Aware SE Personal application window. The title bar reads "Ad-Aware SE Personal". The main window features a blue header with the "Ad-Aware[®] se" logo and the text "Copyright 1999-2004 Lavasoft Sweden. All rights reserved." Below the header, there are five icons: a magnifying glass, a gear, a padlock, a globe, and a person. On the left side, there is a vertical menu with buttons for "Status", "Scan now", "Ad-Watch", "Add-ons", and "Help". The main area is titled "Scanning Results" and contains a tabbed interface with four tabs: "Scan Summary", "Critical Objects", "Negligible Objects", and "Scan Log". The "Scan Summary" tab is active, showing a table of scanning results. The table has columns for "Obj.", "Vendor", "Type", "Category", "Object", and "Comment". The "Obj." column contains checkboxes and small icons. The "Vendor" column lists "VX2" for most entries and "Malware" for the last two. The "Type" column lists "RegValue" and "Regkey". The "Category" column lists "Malware". The "Object" column lists registry paths like "HKEY_CURRENT_USER:so..." and "HKEY_LOCAL_MACHINE:s...". The "Comment" column is empty. At the bottom of the window, it says "166173 Objects". There are three buttons at the bottom: "Quarantine", "Show Logfile", and "Next". The taskbar at the bottom shows the "start" button, the "Ad-Aware SE" icon, the "Spybot - Search & De..." icon, and the system clock showing "4:41 PM".
